## Schools Open September 1st

Schools in the Stony Plain School Division which includes Drayton Valley, will re-open for the new term on Thursday, September 1st according to Secretary-Treasurer, A.W. Boychuk.

In a telephone conversation with Mr. Boychuk, Friday, The Western Review learned that the division was still short about thirteen teachers, six of these required in Drayton Valley schools.

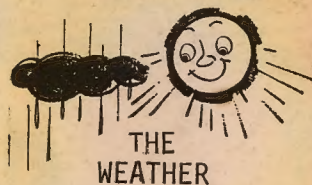

Mr. Boychuk expressed concern about the shortage of teachers with school opening less than two weeks away but felt that with applications still arriving it would still be possible to complete the teaching staff before school opening.

## Weather Break Helps Arena Construction

Following several delays caused by inclement weather, work on the Drayton Valley Centennial Civic Centre is again in full swing and completion of the arena portion of the building is expected about the end of September.

Early this week work was proceeding toward completion of the roof and walls of the arena portion of the building.

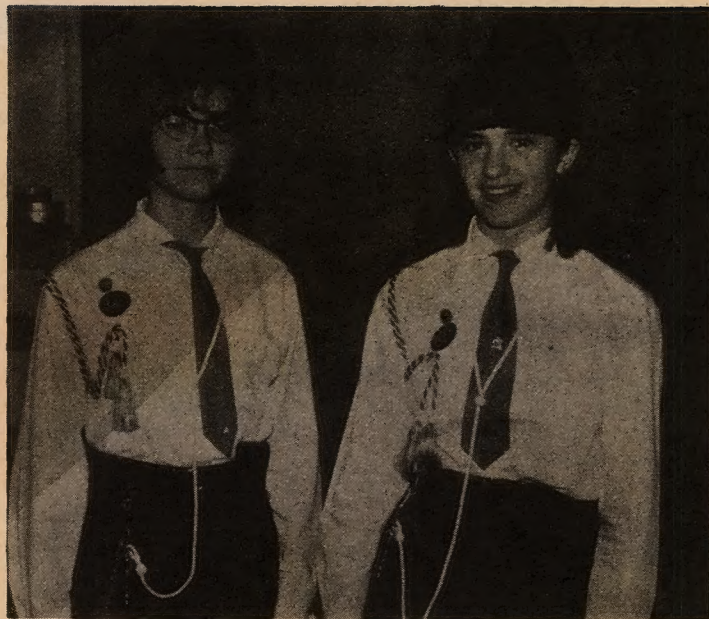

Excavation of the ice surface which was delayed almost two weeks by persistent rains, is also nearing completion.

## Chamber Plans Labor Day Sport Events

At a meeting of the executive of the Drayton Valley Chamber of Commerce held in the Cardium Room Thursday morning it was decided to go ahead with plans for a kiddies sports day at the riverside camp grounds on the Labor Day holiday.

A canoe race is planned as one of the major attractions of the day and a raft race will also likely be held although no information on the subject is available yet.

Fred Raven, who is in charge of the canoe events, stated that a \$5.00 entry fee would be charged and the money returned to the canoeists on a 50-30-20 percent basis for 1st, 2nd and 3rd place finishers.

Trophies for the first three finishers are being sponsored by the UFA Co-op and Karl Degen Imperial Lumber and Harry Zolmer, and The Western Review and R.B. Smith.

Shown above, left to right, are Mrs. H. Rand, winner of the Rose Award and the Grand Aggregate, and Mrs. V. Heyland, winner of the Pansy Award. In the background is Mrs. L. Os-

car, president of the sponsoring W.I. and on the right are Mrs. S. Johnson and Bob Wilson who made presentations to the winners.

## Moon Lake News

Donna Cherrington, Correspondent.

The ladies of Moon Lake held a bridal shower on Saturday for Mr. and Mrs. Milt Jensen's daughter, Jackie. Jackie was recently married to Mr. Jack Carlson of Seba Beach. Many beautiful and useful gifts were presented to Jackie along with many good wishes.

Mr. Howard Catt from Glasgow, Montana was visiting his brother, J.C. Catt.

Mrs. Dida Town has recently returned home from the hospital. We are glad to hear she is feeling fine now.

Mr. and Mrs. Fred Cherrington's daughter and son-in-law, Fay and Joe Gangle, and family have motored up from California for a visit.

Mr. and Mrs. Fred Cherrington and Mr. and Mrs. Milner of Edmonton have recently returned from a motor trip to B.C.

The Greaves' annual family reunion was held Sunday on the Moon Lake Hall grounds.

One of Burki's purebred Hereford bulls won Reserve Grand Champion at the Wildwood Fair on Friday, August 19th. Congratulations to the Burki's.

Mr. and Mrs. Tom Elwell, daughter and son-in-law of Mr. and Mrs. L. Burki, motored to Camp Petawawa, Ontario. Out of the 23 days of their trip, 17 days were ruined by rain.

## RAMONA NEWS

Mrs. M. Smith from Edmonton is out visiting her daughter, Mrs. Margaret Wood.

Mr. and Mrs. Mike Kymita and family are spending a few days at Banff.

Mr. and Mrs. Bill Turnbull from Calgary are visiting the Wood's family and calling on many old friends and neighbors.

## Evansburg News

Mrs. M. Bruner, Correspondent

Sorry about missing the news column last week, but have had accidents in the family which have kept me occupied full time. First, Grant required stitching after dropping a bed spring on his toe; then Lisa required special dressings after a bad burn on her knee and now the man of the house has been in hospital after a tangle with a power saw. If accidents happen in threes, ours should be over now.

Am glad to report that the boys who went to Olds for 4-H eliminations all won as a result of their hard work. John Ohnesty won a trip to the Royal Winter Fair; Andy Kremenuik, a trip to a 4-H conference in Montana and Terry Kremenuik a trip to a conservation camp at Hinton. We are certainly proud of our boys.

Congratulations go to Mr. and Mrs. Jerry Benson on their recent marriage. Mrs. Benson is the former Rosemary Wolff of Evansburg and Mr. Benson is from Wildwood.

Recent B.C. visitors to Evansburg were Mr. and Mrs. Cannon and family of Vancouver at the senior Bruner home and Mr. and Mrs. Jim Carlsen and family of North Surrey to the Mazeppa home.

The district fair has come and gone for another year. Although the wet weather did not help the growing of gardens, the judges reported a high quality of exhibits. Exhibitors came from Whitecourt, May-

erthorpe, Gunn, Edmonton and Tomahawk as well as many from both Evansburg and Wildwood. A bit of rain marred the parade judging but otherwise the day was fine with Miss Kathie Meropaulis of Niton elected queen.

The Kinsmen Horse Show went off well, too, with a parade in the morning which had been preceded by a pancake breakfast. Everyone attending reported a good time. Miss Kathie Sharpe was declared queen for the show.

## SCHOOL BOARD BRIEFS

A request was received by the board from the secretary - treasurer of the town of Drayton Valley for permission for the Centennial Caravan to park on the school grounds of the Drayton Valley Junior High School and use washroom facilities on July 2nd, 3rd and 4th 1967. Permission was granted by the board.

\* \* \* \*

It was moved and carried that F.W. Maddock and the Secretary-Treasurer be authorized to attend the executive meeting of Zone 2 of the A.S.T.A. on Friday, August 26th.

\* \* \* \*

The Superintendent reported that the Metropolitan Edmonton Educational Television Association has applied for permission to operate an educational television station and that School Boards must resolve whether they are prepared to offer full support. Financial responsibility would be on a pro rata basis to school boards based on respective enrolments.

This matter was left to the Superintendent, Mr. F. Hannonchko for attention.

### Meeting of July 26-27

It was moved and carried that application be made for Ministerial Approval to borrow \$16,000.00 for the purchase of the Lunan house in Drayton Valley.

\* \* \* \*

Mr. F. Hannonchko, Superintendent, reported that a list of equipment for the new vocational wing at Stony Plain has been drawn up and will be submitted to the Department for approval. This list of equipment amounts to a total of \$81,468.05.

Mr. Hannonchko further reported on the staff situation at the present time. The teacher requirements are as follows: Spruce Grove - 1 (half time), Stony Plain - 1, Wabamun 2, Tomahawk - 2, Entwistle - 2, and Drayton Valley - 6 for a total of 13½.

\* \* \* \*

A letter was received from Mr. A.B. Wetter advising that

the following order was issued by the Minister of Education with regards to the assets and liabilities of the Cynthia School District No. 5085.

"Whereas the Cynthia School District No. 5085 has been included in the Stony Plain School Division No. 23, effective July 1, 1966, and

Whereas it is considered desirable to give directions with respect to the ownership of school sites, school buildings and equipment located in the district so included;

Therefore under section 31 of the School Act, 1955, I hereby direct that any school site or building located in the above school district together with any equipment therein, shall be vested, without evaluation or consideration in the Stony Plain School Division No. 23.

This order shall be in effect on, from and after July 1, 1966."

\* \* \* \*

It was moved and carried that effective immediately, the Divisional Board offer Bursaries of \$400 per year for two years for which the recipient must teach two years in the Division for each \$400 received. Upon failure to honor the contract the recipient shall be required to refund the amount received together with 6% interest from the date of issue.

\* \* \* \*

Mr. B. Wood, Architect, came to see the Board regarding plans for the proposed Vocational Wing at Stony Plain. He explained that due to unusual soil circumstances the cost of the necessary foundation will be approximately \$1.02 per square foot more than it would have been had the soil conditions been normal.

It was moved and carried that application be made to the School Buildings Board for special consideration with regards to the extra cost for the foundation for the Stony Plain Vocational Wing.

## Old Timers Feted At Carnwood

By ROSE SAUNDERS  
Carnwood Correspondent

On August 17th the Carnwood Country Club Society held its Annual Senior Citizen and Old Timer's Party at the Carnwood Centre.

The evening was spent enjoying slides of the Canadian Rockies and B.C. which were supplied by Mr. and Mrs. S.M.

Jorgenson of Warburg. Live talent was performed by Mrs. Beatrice Cropley of Berrymoor who sang two lovely solos and by Leanne Johnson with an accordion solo. We would like to say a big thank you to these folks.

Special guests during the evening were Mr. and Mrs. R. Smith of Drayton Valley. Sen-

ior Citizens included folks from Berrymoor, Lindale, Funnell, Warburg and Carnwood.

The evening closed with a lovely lunch served by the Carnwood Country Club members who acted as hostesses.

We will be looking forward to seeing you one and all next year, and hope more will be able to attend.

Senior citizens attending the Carnwood annual party shown above are: front row, left to right, Mrs. G. Martin, Mrs. A. Fenneman, Mrs. M. Manning, Mrs. G. Ellis and

Mrs. O. Lindell. Second row, left to right: F. Sutherland, Mr. Ellis, Mr. Neff, Mr. Wikner and Mr. G. Martin. Back row, left to right: Jack Meakin, and J. Johnson.

## Peace is Attainable

We salute Lions International for encouraging young people to join in the search for peace and feel the recently announced peace essay contest is truly worth while.

The contest presents a wonderful chance for young people to win a portion of \$35,000 in prizes, the major one a \$25,000 opportunity to further education or career.

To the Drayton Valley Lions Club our congratulations on a most impressive public service project.

## Shoulder Driving Necessary

Anyone who motored recently on vacation must have fretted through the experience of being held up in a long line of traffic behind a slow-moving vehicle -- often a car pulling a holiday trailer.

We have no objection to people enjoying their vacation with the use of a trailer, but do feel that some amendment to the traffic regulations is required to avoid long lines of traffic and the ever-present go-go-guy weaving in and out in his attempt to get somewhere down the road five minutes before he left home.

Many slow-moving vehicles pull over on the shoulder and allow faster traffic to speed by but according to the highway signs admonishing "No Driving on Shoulders" they are thereby breaking the law. Breaking the law they may be, but their action gets the thanks of those stewing behind them and perhaps a law allowing this type of passing in the main tourist routes is the answer.

It was with a good deal of pleasure that the editor and spouse enjoyed the hospitality of the Carnwood District last Wednesday on the occasion of the annual oldtimers get-together. It was our pleasure to meet residents of the community and particularly those whose toil and hardship in the early days produced the province and district as we know it today.

One of those present was Mr. Eric Wikner, a member of the Seven Swedes who settled in the Carnwood area about 1918. We had heard earlier about the Seven Swedes and enjoyed learning the history of the community from Mr. Wikner, a spry 88. He still lives on his homestead which is now farmed by his son-in-law and daughter Mr. and Mrs. George Colby.

Another of the old timers present was Mrs. Olga Lindell who was the first teacher in the Lindale community. She started teaching all grades in a tent about 1920 before the first school was built.

Our thanks to the ladies of the Country Club Society for an enjoyable evening.

A local punter took in the races at Northlands Park one day last week, armed with a tip about a "walk-away" in the fifth. And a "walk-away" is exactly what it was according to the disillusioned bettor. "My horse walked," he said, "but all the rest of them ran like hell!"

Farming has been rough all over this summer what with hail and rain and an added hazard for beekeepers in the area just across the river from Drayton Valley has been bears. One beekeeper alone, we are informed, lost in the neighborhood of 40 hives to honey-hungry bruins.

## WHAT'S THAT THING IN THE SKY?

Karl Degen jolted the editor awake Tuesday morning when he phoned The Western Review

and panted, "What's that thing in the sky? -- It's a round disc!"

Visions of flying saucers danced in my head and I almost reached for the camera.

The "thing" turned out to be the S-U-N and several people reported sighting it early in the week.

WITH CLINT WARD

Binding positions on a competitive slalom ski vary depending upon the style and preference of the skier.

World Champion Roland Hillier uses a measurement of 28 inches from the heel of the ski to the back of the heel piece of the front binding. His back binding is attached so that his are as close together as possible.

Stock bindings must be modified to install them in this fashion. For one thing, the adjusting nut on the back of many types of binding will prevent the placing of the two feet close together. The answer is to attach the heel piece directly to the ski, doing away with the adjustable feature. Some skiers use a heel piece for the back foot because this reduces the chance of the back foot being knocked loose in rough water or while crossing the wake during high speed runs. If a heel piece isn't used then make sure some sort of non-skid material is placed under the back toe piece to aid in holding the back foot firmly in place.

The community hall is beginning to take on a new look. The new floor is in, sanded, varnished and waxed and the walls painted. It will be nice for the reception for Grant Ward and Christine Docken which is coming up soon.

The Johnston's had a pleasant surprise last week when John's sister Ella McNiel and niece Barbara Showcross from Edmonton paid them a visit. Barbara is leaving soon to join her husband who has been stationed in Germany. They plan on being there three years. Ella is leaving for Eastern Canada to spend some time with her daughter.

Mr. and Mrs. Isaac Brown spent a few days in the district last week brushing up on old acquaintances. Mr. Brown is one of our pioneer preachers who ministered here in the last part of the hungry thirties and early forties.

The newlyweds, Gene and Judy Schwartz have returned from their honeymoon and taken up residence in the Ronald Thatcher house.

The old-timers of Carnwood and surrounding districts gathered at the Carnwood Community Centre for a supper given in their honor on Wednesday, August 17th. The Jorgensen's showed some very interesting slides of the places they had been on their holidays.

Ethel Wideman was home

from Edmonton for the weekend.

The sympathy of the district is extended to Floran Robertson and Pete and Bina Berryhills in the loss of their loved one. Ella Robertson passed away in the Drayton Valley hospital on the 17th. The funeral was held in Edmonton on the 22nd.

Robert Greuel of New Holstein, Wisconsin and John Ciorus from Milwaukee were recent visitors at the Jack Barrett Home. From here they plan on going to Vancouver before returning to the States.

Visiting at Mrs. Hattie Barrett's last Tuesday, was her daughter, Mrs. Eleanor Han-

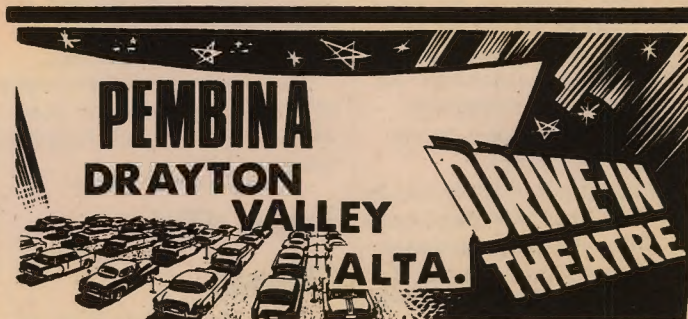

sen from Edmonton, and her granddaughter, Mrs. Gwen Thalhiemer and children from Kamloops.

# Swimming Pool to Close September 1st

The Drayton Valley Swimming Pool will close on Thursday, September 1st at 10:00 p.m. In other years this facility closed on or after Labor Day, however, due to very poor attendance after September 1st it was decided to close earlier this year.

The overall attendance to date for the season has fallen behind the 1965 mark. Until mid-July the attendance figure was up on last year's total at that time, however, the inclement weather during the first part of August caused a steady decline in the number of swimmers and consequently had an adverse effect on the seasonal attendance.

Swimming instruction at all levels will end on Friday, August 26th. A Bronze Medalion class has recently completed

the required course and this class will be examined on Sunday, August 28. Sharon Phelan was the instructor for this group.

Next week's schedule will see the pool opening at 1:00 p.m. and remain open until 10:00 p.m. except for the supper hour from 6:00 to 7:00 p.m. From now on the pool will not be open for early morning swimming.

The swimming season is a short season, a season that almost seems to be finished before it gets rightly started.

This season could have been better in some respects, however, we look forward to better things in 1967.

## Tennis Clinic Planned

A one-day tennis clinic is being planned for the newly organized Drayton Valley Tennis Club. A final date has not yet been arranged, but interested persons should keep August 29th, 30th, 31st and September 11th in mind.

Lance Richard, tennis professional from Edmonton will be in charge of this clinic.

All those interested are requested to contact the Recreation Office or Bruce Boles for further information concerning this clinic.

### NEPTUNE CLUB NOTE

On Saturday, August 13th the annual Swim Meet of the "Neptune" Club was held. The opposing team was Devon and there was one independent swimmer from Jasper, Janice Penner.

The results of the meet appeared in last week's paper and as was expected, Devon went home as the winner of the meet. However, it should also be noted that the total point score, Devon 361, Drayton Valley 271, is a considerable improvement over the scores of previous years.

Our swimmers are improving fast and it seems that they themselves are becoming aware of this fact. There has been a good deal of enthusiasm and the swimmers are more inclined to train harder. Good work boys and girls.

Coming back to the meet, I hereby wish to thank all the parents and swimming pool staff for the help they have given us to make the meet and wiener roast successful and Mobil Oil from whom we have been allowed to use the P.A. system every year. We are sorry that the microphone succumbed towards the end of the meet. Once again our thanks to all of you.

F.H. deGeest,  
President.

## Football Meeting

A meeting of all those interested in the local minor football program will be held in the Recreation Office on Thursday, August 25th at 7:00 p.m. The main purpose of the meeting will be to form a football committee under the auspices of the Drayton Valley Athletic Association.

An officiating clinic will also be held starting on the same evening and continuing on Friday evening, August 26th. Films will be shown both evenings and the rules of Canadian Football in general will be reviewed. It is hoped that all persons interested in officiating football in Drayton Valley this fall will be on hand for this clinic. A football officials' organization shall be formed and from this organization persons shall be assigned to work the different games that will be played during the season.

From here things look quite favorable for the coming season. We will have a Pee Wee League with two teams going against each other. There will be six season league games and

this will be followed by a best of three game playoffs for the Forster Trophy and the community championship. One Bantam team will play exhibition games with teams from other centers. We hope to get in at least five or six games for those boys during the season. Opposition has always been the problem for teams at this level. It is expected that most of the Bantam games will be played against teams from Edmonton and district.

All those in anyway interested in the football program are asked to get in touch with the Recreation Office or attend Thursday evening's meeting.

## GRAND BANKS WELL ABANDONED

John C. Meeker, Calgary Division Manager of Pan American Petroleum Corporation announced this week that the initial Grand Banks of Newfoundland exploration drilling well had been abandoned at a total depth of 4834 feet.

The well, Pan Am - I.O.E. Tors Cove A1 located 225 miles South of St. John's Newfoundland was drilled by Pan American and Imperial Oil Enterprises to evaluate shallow stratigraphic sections. After logging and testing, the well was cement-plugged and abandoned.
